

ENERGY POLICY

Shyam Metalics commits itself to energy conservation and efficiency in all its areas of operations.

Shyam Metalics will endeavour to:

- Adopt best available technologies to enhance energy efficiency.
- Implement best-in-class operation practices to conserve energy.
- Identify, evaluate and deploy Renewable and Non-conventional energy projects across all locations to reduce dependence on fossil fuels for long term ESG performance.
- Conduct regular energy audits for continual improvement.
- Promote energy conservation through mass awareness.
